Greetings from the Governor

October 17, 2013

I am pleased to extend warm greetings to all of those attending The Borgen Project's 10th Anniversary Celebration.

Having made tremendous strides on behalf of impoverished families throughout the world, I applaud The Borgen Project for its tireless commitment to ending global poverty. Through strategic advocacy and public education, you are helping to shape U.S. policy for the betterment of mankind.

Our state has a bold, innovative and robust nonprofit community, and we are proud to be home to visionary groups like The Borgen Project. You represent the best of who we are as a state and as a people – insightful thinkers, proactive leaders and inspiring problem-solvers, who are committed to redefining what is possible and, ultimately, to changing the world.

Congratulations on a decade of outstanding advocacy, and please accept my best wishes for continued success in the years ahead.

Very truly yours,
