

The Borgen Project

Hi (Name)

I hope all is well!

I'm currently volunteering with a humanitarian organization I care deeply about, and I wanted to reach out to see if you might consider supporting my fundraising campaign.

For more than 20 years, The Borgen Project has worked to advance policies and programs that create large-scale change for people impacted by war, famine and poverty. The organization has helped pass legislation improving the lives of more than 500 million people in developing countries and has been recognized by Impact Ninja as one of the 9 Best Charities Impacting Developing Countries.

If you're willing to contribute, I would truly appreciate your support. You can donate here:

Thanks so much for considering, and please feel free to share this with others who may be interested.
